EXPLORING THE CARIBBEAN

SAN JOSE – TORTUGUERO

DAY 1.

Upon arrival at the Juan Santamaría International Airport in Costa Rica, one of our representatives will be waiting for you at the exit of the air terminal to welcome you, provide you with the necessary information about your trip and then transfer you to the San José area where you will stay. the first night.

Accommodation.

DAY 2.

Breakfast and Lunch. Early in the morning the expedition begins towards the plains of the Northern Caribbean, where the greatest attraction is the Tortuguero National Park, one of the most exuberant national parks in Costa Rica. The tour begins with an ascent through the central volcanic mountain range where you can see beautiful waterfalls and the evergreen forests that adorn the Braulio Carrillo National Park. Later, upon reaching the Caribbean plains, you will enjoy breakfast and continue along a rural road. It is characterized by being surrounded by lush tropical forests and banana crops. The last part of the tour, you must board a boat and navigate through the small canals for around two hours in the middle of vast tropical vegetation, allowing you to enjoy a diversity of

flora and fauna that is easy for any visitor to observe. Upon arrival at the tourist lodge, you will be given a brief talk about the activities included in the area and the recommendations that should be taken into consideration when staying in the middle of the jungle. In the afternoon, you will visit the town of Tortuguero where you will learn about the lifestyle of the local inhabitants of the Caribbean and the important conservation efforts that some NGOs have developed to protect the sea turtles that come to lay their eggs every year throughout the years. 22 kilometers of protected coastline.

Dinner and accommodation.

DAY 3.

Breakfast and lunch. Tortuguero is an excellent place for ecotourism lovers. During the day and depending on the weather conditions, you can enjoy a guided walk through the jungle where you will learn how different animals, insects and birds interact with the forest plants, achieving a perfect balance between each species, or you can enjoy a boat tour through the different natural channels of the National Park, there you can observe different species of mammals, birds and reptiles. Tortuguero offers you full contact with Mother Nature. Much of the National Park extends along its virgin beaches that serve as a refuge for the nesting of sea turtles, this event occurs between the months of July to September.

Dinner and accommodation.

DAY 4. Tortuguero National Park – South Caribbean

Breakfast and lunch. At mid-morning we will board the boat again and begin the return to the local pier and continue by road to the Southern Caribbean of Costa Rica. This route offers you beautiful landscapes accompanied by picturesque Afro-Caribbean towns such as Siquirres, Limón and Puerto Viejo where you will stay for the next two nights. The Southern Caribbean coast is a wonderful place and very particular from the rest of the country. It has become a leisure place for those looking to relax, enjoy the sun and its small beaches, but it also offers each visitor a cultural mix that can be seen in its small and rustic hotels and in its varied and exquisite traditional Afro-Caribbean food.

Accommodation.

DAY 5. South Caribbean

Breakfast. Today you will have free time to enjoy the natural environment, rest on the beach and swim calmly in the warm waters of the Caribbean Sea or you can also visit the Town of Puerto Viejo de Limón. If you want to discover the natural beauties of the Southern Caribbean of Costa Rica, we recommend visiting the Cahuita National Park or the Gandoca-Manzanillo Wildlife Refuge, which are well recognized locally, not only for their natural beauty, but also because they have created an awareness among local residents about the importance of conserving natural resources for future generations.

Accommodation.

DAY 6. South Caribbean – San José

Breakfast. In the morning you can enjoy the beach and the hotel facilities. At midday, the return transfer to the central valley of Costa Rica is scheduled, where you will stay the last night at the selected hotel in San José. Most of the road is characterized by being surrounded by rainforests and banana crops. Subsequently, the ascent begins through the central volcanic mountain range, where along the road you can see beautiful waterfalls and the emerald green forest, which characterizes the Braulio Carrillo National Park.

Accommodation.
